

Amore Art is Calling All Artists!!

Session 1 - Drawing

Welcome to Amore Art - the most fun and unique visual arts experience your child shouldn't miss! We're thrilled to invite young artists in grades K-2 to join our after-school drawing program, where creativity meets skill-building in a supportive and inspiring environment.

Our awesome Session 1 drawing program focuses exclusively on drawing skills such as line work, how to blend and shade with colored pencils, sketching with pencil and charcoal pencils and how to create texture, perspective, and much more!

K-2 will focus on important introductory skills while they ignite their imaginations with fun and creative drawing projects! Come meet new friends and be creative!

Next: Session 2 will be our amazing painting program and Session 3 will be our mixed media program! Please take a look at our website for further information!
