

We are pleased to announce the kick-off of the

Adopt-A-Class

program for the 2023-2024 school year!

This program is designed for businesses and/or families within our school and business community to make a tax-deductible donation to a class at Beacon Cove Intermediate. The teachers receive these funds and are able to purchase additional educational materials for their students. Your donation will directly benefit the class that you “adopt”. Please no soliciting other parents of classmates, this is an individual choice and decision. Thank you.

Our goal is to have all the students benefit by having each class “adopted”. This would make the program a success for the entire school. The Chamber of Commerce also lends its support by encouraging members outside the school to participate.

All sponsors will receive a certificate to display in their business as well as having a special certificate posted outside of ‘their’ classroom. In addition, our school Edline page and our yearbook will list the sponsors and the level of sponsorship.

This is a great opportunity to show your support as a business or family for quality education. Please help in making it a 100% year. THANK YOU!

YOU MAY MAKE ADOPT A CLASS DONATIONS BY CASH, CHECK, OR ONLINE
