

LIGHTHOUSE ELEMENTARY SCHOOL

Is Pleased to Announce the

ADOPT-A-CLASS PROGRAM

for the 2023-2024 School Year!

This program is designed for businesses and/or families within our school and business community to make a *tax-deductible* donation to a class at Lighthouse Elementary School. The donations from this program go directly to the teachers to purchase additional educational materials and supplies for their students. Your donation will directly benefit the class that you “adopt”. Please no soliciting other parents of classmates, this is an individual choice and decision. Thank you.

Our goal is to have all the students benefit by having each class “adopted” up to \$600.00. This would make the program a success for the entire school. The Chamber of Commerce also lends its support by encouraging members outside the school to participate.

In addition to adopting classroom teachers, please consider the specialty areas: Art, Media, Music, PE, Clinic Nurse, Speech and Guidance. Please do not forget our reading teachers: Tammy Trivison (SAI), Kathe Kainec and Jennifer Edmondson (VE) and Crystal Merritt (ASD). Sponsorship will be recognized at five different levels: **Diamond \$200.00, Platinum \$150.00, Gold \$100.00, Silver \$75.00 and Bronze \$50.00.**

Sponsors will receive a certificate of adoption and thank you letter, as well as having a special certificate posted outside of the teacher’s classroom. All adopt-a-class collections will only be available online in school cash – <https://palmbeach.schoolcashionline.com>. **No cash or checks will be accepted.**

This is a great opportunity to show your support as a business or family for quality education. *Please help in making it a 100% year. THANK YOU!*
