The sport of tennis instills self-confidence and develops transferable skills such as balance, hand-eye coordination, and concentration.

Our system adapts the equipment and playing area to the child so that proper footwork and playing skills can begin to develop from the first day.

The program, held on school grounds, offers a class for parent pick-up students and students who attend after-care.

Classes begin Tuesday, September 10th.
Parent Pick-Up Students begin at 2:15 and end at 3:00 p.m.
Aftercare students begin at 3:10 and end at 4:00 p.m.
